

Pan-London Skin Cancer Holistic Needs Assessment Screening Tool

(For use in people with low risk skin cancers only. All others should be given the opportunity to complete the Pan-London HNA offered by their CNS. If score on thermometer is 4 or above please give full HNA.)

Name:

Hospital/NHS Number:

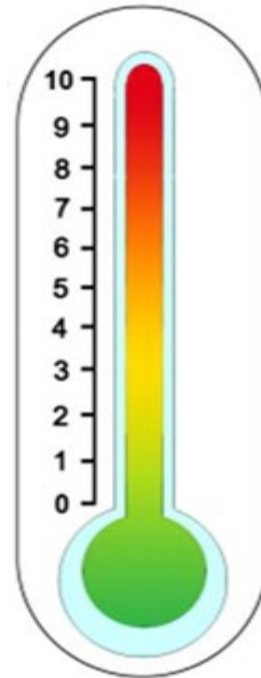

Date:

As part of your care, we would like to give you the opportunity to discuss any concerns you have with the right healthcare professional. Please answer the two questions below so we can make sure you speak to the right person as soon as possible.

Choose not to complete the assessment today by ticking this box.

Please tick the number that best describes the overall level of distress you have been feeling during the last week, including today.

If you have any concerns (physical, emotional or spiritual) you would like to speak to your Clinical Nurse Specialist about, please tick this box.
